

BURNABY WATER POLO CLUB

Welcome to another season of water polo fun!

January 4, 2022 to April 29, 2022

The Burnaby Water Polo Club has been a part of the community for over 40 years now. Established in 1977, it has had a proud tradition of helping develop some of the finest water polo players in the country. A number of our players who started with Burnaby have gone onto the Canadian National Teams and won scholarships, and one has even gone to the Olympics in Beijing. In addition to athletic excellence, the Burnaby Water Polo Club promotes healthy living and long-lasting friendships.

Programs

Development 2013 & younger	Boys and girls will practice in the shallow end of the pool. Our coach-to-player ratio is low to help youngsters prepare for the main pool. The ability to swim across the shallow end is helpful. They will learn ball handling, swimming with and without the ball, and game basics.
Junior (12U) 2010-2012	Boys and girls will practice in the main pool. They will work in the shallow and the deep ends. The ability to swim a length of the pool is important. They will learn ball handling, eggbeater, shooting, swimming with and without the ball, and game basics. At this age, the athletes need additional coaching and practice on their swimming skills.
Senior (14U, 16U, 18U) 2004-2009	Boys and girls will practice in the main pool. They will work primarily in the deep end of the pool. The ability to swim and tread water for extended lengths of time is required. They will learn ball handling, eggbeater, shooting, swimming with and without the ball, and advanced game strategy. After more experience, players will be ready to learn refereeing and coaching.
Open-Age 2003 & older	Men and women will practice in the main pool. The Open-Age category is designed for all water polo athletes who graduated from high school and who are looking for opportunities to stay active as players, coaches, and referees.

Volunteering Policy

BWPC is run by volunteer parents. The contribution from each parent is necessary and very much valued. There will be many opportunities for parents to volunteer including but not limited to, board members, team managers, health & safety officers, etc. Parents of registered players will be scheduled to assist with the attendance and temperature checks during practices. Please contact our volunteer coordinator at volunteercoordinator.bwpc@gmail.com, to indicate any days/times you are not available to volunteer.

Registration Process

We are only accepting online registrations. Please register online and follow the e-transfer payment instructions.

Phone: 778-328-2657
