*Welcome to another season of water polo fun!*

Jul 9<sup>th</sup>, 2022 to Sep 4<sup>th</sup>, 2022  
Central Park Outdoor Pool

The Burnaby Water Polo Club has been a part of the community for over 40 years now. Established in 1977, it has had a proud tradition of helping develop some of the finest water polo players in the country. A number of our players who started with Burnaby have gone onto the Canadian National Teams and won scholarships, and one has even gone to the Olympics in Beijing. In addition to athletic excellence, the Burnaby Water Polo Club promotes healthy living and long-lasting friendships.

## Programs

<b>Development</b> 2013 & younger	Boys and girls will practice in the shallow end of the pool. Our coach-to-player ratio is low to help youngsters prepare for the main pool. The ability to swim across the shallow end is helpful. They will learn ball handling, swimming with and without the ball, and game basics.
<b>Junior (12U)</b> 2010-2012	Boys and girls will practice in the main pool. They will work in the shallow and the deep ends. The ability to swim a length of the pool is important. They will learn ball handling, eggbeater, shooting, swimming with and without the ball, and game basics. At this age, the athletes need additional coaching and practice on their swimming skills.
<b>Senior (14U, 16U, 18U)</b> 2004-2009	Boys and girls will practice in the main pool. They will work primarily in the deep end of the pool. The ability to swim and tread water for extended lengths of time is required. They will learn ball handling, eggbeater, shooting, swimming with and without the ball, and advanced game strategy. After more experience, players will be ready to learn refereeing and coaching.
<b>Open-Age</b> 2003 & older	Men and women will practice in the main pool. The Open-Age category is designed for all water polo athletes who graduated from high school and who are looking for opportunities to stay active as players, coaches, and referees.
